Plastering & painting

★★★★★

"We recently had some plastering and painting done by Grace and her team, and I honestly couldn't be happier with how it turned out. ... The finish is clean and it's really changed the space. Straightforward communication, everything was cleaned up properly at the end, and they completed everything as we'd agreed beforehand."

"Grace painted the front of my property. She is very professional, keeping me updated from the outset to the end. She liaised with the scaffolding company, one less thing for me to have to deal with. Competitive pricing."

Master bedroom

★★★★★

"Grace and team helped us redo our master bedroom: strip wallpaper, re-plaster the damaged walls, and paint. Our room actually looks modern now. ... The pricing was very fair, and Grace was really patient and professional."
